

Stonedge™ Landscape and Masonry products are manufactured under the highest standards of quality and workmanship. This warranty is offered to the original Consumer Purchaser (Homeowner), for as long as they own their home. Stonedge™ warrants that the product is free from defects in material and workmanship, and is in compliance with the specifications of the Canadian Standards Association and the American Standards for testing Materials.

#### Masonry Products

Stonedge™ is proud to certify that our masonry products meet the latest industry standards effective in Canada and United States of America, as well as meeting and surpassing the standard requirements of CSA A165. This assurance of quality is applicable where the product, which is manufactured by Stonedge™, is installed in the Homeowner's Residence and subject to use under normal conditions.

#### Landscape products

Stonedge™ is proud to certify that our landscape products meet the latest industry standards effective in Canada and United States of America, as well as meeting and surpassing the standard requirements of ASTM C672.

Stonedge™ guarantees the structural integrity (decomposition) of its landscape products against the use of sodium chloride (NaCl) such as de-icing salts. However the use of these types of de-icing salts (sodium chloride (NaCl)) will alter the surface texture of these products over time. Stonedge™ offers this warranty on all its landscaping products when installed to industry standards and in compliance with our installation guidelines.

.Stonedge™ cannot guarantee the color match of any replacement units and this warranty is limited to Stonedge™ products only and not to costs related to the installation of those products. Stonedge™ will honour this warranty with a proof of purchase.
